51 Nervous Novices Open Boxing Season

By DAVE PARNAY

One of the outstanding events of the school year, the twelfth annual San Jose State college Novice boxing tournament will open the 1948-1949 collegiate boxing season in the Men's gym tomorrow night.

Weigh-ins were completed yesterday and 10 teams have a total of 51 nervous novices preparing for "H" (haymaker) day. Sponsors of the 10 teams are: Chi Pi Sigma, Kappa Alpha, Delta Upsilon, Kappa Sigma, Kappa, Theta Mu Sigma, Theta Chi, Newman club, Phi Sigma Kappa, Sigma Alpha Epsilon, and Delta Sigma Gamma.

As usual, Boxing Coach "Dee" Portal, through the P. E. department, will offer a \$10 merchandise order, redeemable at the Coop, to the outstanding student prognosticator.

Each boxer is listed below in his weight division. Check your winners in each class. Your picks must be in the box in the Spartan Daily office by 4 p.m. tomorrow afternoon.

16 'Obligations' Suggested By Fairness Group

A 16-point "Bill of Student Obligations" has been suggested to San Jose State college student organizations by the Fairness committee. The bill has been submitted without the committee's recommendation and is intended, the committee says, for organization discussion and their individual recommendations.

Obligations Listed

A few of the 16 obligations brought forth are:

The obligation to take examinations in accordance with the announced rules and without giving or receiving unpermitted aid. The obligation, if cheating is observed during an examination, to take some action, such as covering one's paper, expressing objection to the suspected student, tapping with the pencil, etc. The obligation, when persistent unfair behavior has been observed, either by a student or an instructor, to do something about it—either by direct private conversation, by taking other students along to talk with the individual concerned, or by reporting him to the Student Court or the Fairness committee.

Off-Campus Groups Hit

Other obligations are: Not to permit off-campus pressure groups to use campus organizations for purposes of propaganda or financial exploitation. The obligation to protect college property against undue waste and damage.

OFFICIALS SIGN ONE-YEAR CONTRACT; MORE GAMES HINGE ON ASB CONDUCT

By BOB "PAPPY" BLACKMON

Athletic officials of San Jose State college and Santa Clara university agreed yesterday to renew football relations for one year. The game is scheduled for Spartan Stadium Sept. 24, 1949. It will be the first Saturday night home game in the history of Spartan football. In an informal ceremony in the office of Mike Wells, Bronco

publicity director, Athletic Directors Glenn "Tiny" Hartranft and Dennis A. Heenan signed the contract witnessed by members of the local newspapers.

The actual agreement was made over the weekend with the final okays of Presidents T. W. MacQuarrie and Rev. William C. Gianera, S.J.

The game will mark the third contest between the pigskinners from the Mission school and San Jose. The Broncos won contests in 1936 and 1937 by scores of 20-0 and 25-2, respectively.

The Spartans were dropped from the Santa Clara schedule in 1938 for no apparent reasons, according to Coach Bill Hubbard. The Nov. 1, 1937 issue of the Spartan Daily states that Santa Clara was dropping all "weak sitters" off its schedule and that Bronco authorities figured they had nothing to win and everything to lose playing the Spartans.

One Spartan official said he believed the series was called off because of personal enmity between then Santa Clara Coach Buck Shaw and Sparta's Dud DeGroot.

Basketball relations were continued until 1939 and the demise of the Northern California Intercollegiate Basketball conference,

(Continued on page 4)

Bronco Returns; Let's Keep Him

(AN EDITORIAL)

The "natural" returns next September for a trial run after an 11-year absence. Santa Clara's Bronco once again will face his next door neighbor, the San Jose Spartan, on the football field.

If the game is played with hostilities confined to the 60-minute playing period, it can pave the way to renewal of competition in all sports between the two schools.

Athletic Directors Glenn Hartranft of San Jose State and Dennis Heenan of Santa Clara have arranged for the two teams to meet in Spartan Stadium September 24. Whether the Broncos and Raiders meet again in succeeding years depends largely upon the conduct of the student body of both schools.

It's a shame we've had to wait 11 years for this contest. Santa Clara looks very good on anybody's schedule. Now that we have the Broncos signed on the dotted line, let's do our best to make the game an annual affair.

DeGeller Appointed Jr. Court Justice; Dance Gripes Aired

By MERLE BLONDIN
BOB HEISEY

Don DeGeller was appointed junior justice of the Student Court by the Council at its regular meeting in the Student Union yesterday afternoon. He takes the place of Dick Brown who was moved up to senior justice.

Betty Brisbin, social affairs chairman, pronounced the after-game homecoming dance last Friday "a success except for two things."

"A few St. Mary's students were out of order," she said. "They were uncooperative about the question of bringing liquor into the auditorium, and although the police at the entrance were alert, a few did succeed."

"Then the homecoming queen and the football team were not present during the intermission," Betty stated. "The Jules Bozzi 'most valuable player award' could not be presented as was planned."

Al Raffailli, rally chairman, explained that the football team had been invited to attend, but no one knew whether they would or not.

"The queen was at the dance earlier but she left before intermission," he added.

The Council passed a by-law which makes on-campus advertising by off-campus organizations illegal, except through paid ads in the Daily. Destroying of advertising during student elections was also made illegal and punishable by a fine of \$10 or the revoking of the ASB card.

SJSC Cagers Drop Close 55-51 Opener To SF 49er Quintet

By CARL UNDERWOOD
and CLIFF DANIELS

San Jose State's varsity basketball team tired badly in its opening game of the season last night, and went down to a last-minute defeat at the hands of the San Francisco 49ers before a packed house in the Spartan pavillion.

It was a nip and tuck battle all the way with never more than four points separating the two quintets. After trailing by a single point at half time, 25-24, San Jose moved into a 40-37 lead with ten minutes remaining, but couldn't keep up the pace against the fast-breaking 49ers.

Two minutes before the final gun, free throws by Stu Inman and Ralph Romero brought the Spartans within two points, 49-47, of the Bay City club, and again, after Em Chapman sank a 20-foot push shot, to make it 51-47, Don McCaslin rebounded a score, and San Jose trailed 51-53 with 18 seconds to go.

Clinching Bucket

Ernie Filiberti then slipped through the tight man-for-man Spartan defense for a layup in the last ten seconds to clinch the game.

McCaslin turned in one of the greatest scoring exhibitions seen in the local gym for quite some time by flipping 25 points through the hoop to easily walk off with high point honors.

The 49ers' top scores were equally divided between Jim Smith, former University of California star, who dumped in 15 digits, 5'11" Ken Leslie with 14, and Chapman with 13.

The game was exceptionally free of fouls for a season's opener, and

Drum Majorette Candidates

Dodie Arnold and LaVonne Peter were selected from the above candidates to be next year's drum majorettes. Reading from left to

right, the contestants were: Norvella Pitney, Dodie Arnold, LaVonne Peter, and Gay McGowan. A vote by band members deter-

mined who would fill the positions. Russell Reed was chosen to serve as drum major. (Story on page 4.)

SJSC, STANFORD WILL DEBATE ON PLANNED U. S. ECONOMY

A home-and-home debate with Stanford university on the question of planned economy for the United States will take place Wednesday night, according to Mr. Wilbur F. Luick, director of forensics. A team from San Jose will travel to Palo Alto to uphold the negative side of the question against a Stanford team, and a team from Stanford will come here to uphold the negative side against a San Jose team.

On Friday and Saturday, Dec. 3 and 4, the forensic group plans to go to Stockton to participate in a practice debate tournament with colleges and universities in Northern California. The question for that tournament will be federal aid for education, the national debate question.

Activities for fall quarter will be concluded Wednesday evening, Dec. 8, in the Little Theater, when the quarterly student forum, sponsored by the general speech section of the Speech and Drama department, will present a debate between the University of Santa Clara and San Jose State college on the question of planned economy.

Manila Educator Studies Methods Of Teaching Here

Mr. Cresencio Peralta, a member of the faculty of the National Teachers college of Manila, spent part of last week as the guest of the Education department of San Jose State college, according to Mrs. Lorraine B. Patterson of that department.

"The terrific waste in this country seemed to impress him most," Mrs. Patterson said. This is his first visit to the United States.

Mr. Peralta was on campus Monday, Tuesday, and Wednesday mornings of last week. He visited the following classes: Dr. Roy D. Willey's elementary school curriculum; Dr. Ruth M. Tiedman's mental hygiene; Dr. Mabel G. Crumby's early childhood education. He also conferred with Dr. Thomas W. MacQuarrie, president of the college; Dr. James C. DeVoss, dean of student personnel; Mr. Joe H. West, dean of student personnel and guidance; and Miss Doris Robinson, director of placement, Mrs. Patterson said.

Mr. Peralta has been on the campus of Stanford university since Oct. 1. He also will observe teacher training methods at the University of Michigan and the University of Wisconsin during his stay in this country.

He is in the United States under the sponsorship of the United Nations Education, Social and Cultural Organization (UNESCO) and is studying educational systems in American colleges and universities with a view to improving the standards of teacher training in the Philippine Islands.

Student Y Talks Will End Tonight

The Student Y's current series of weekly discussion programs on comparative religions will conclude this evening after an informal program, according to Marie Herold, chairman of the committee in charge of the event.

The topic of the session will be, "Questions We Must Ask About Religion."

"Reverend Malcolm (Mac) Carpenter, executive secretary of the 'Y', will be present to give information and to moderate the affair if the discussion becomes too lively," Miss Herold said.

SPARTAN-GAEL GRID MOVIES

Movies of Friday's San Jose State-St. Mary's football game will be shown tomorrow at 1:30 p.m. in the Morris Dailey auditorium, according to Frisco Sartor, publicity chairman for Phi Epsilon Kappa, the physical education fraternity.

Spartan games with Stanford, College of Pacific, San Diego, Nevada, and Fresno State have already been shown.

Admission charge will be a dime.

Alcohol is the original truth serum.

Keep Off The Grass

Students are asked to respect the grass and campus by parking their cars in the zones marked out for that purpose, said Byron Bollinger, supervisor of grounds, yesterday.

The cars are being parked on the grass during evening classes, Mr. Bollinger believes, and if this situation is allowed to continue it will be no time before the grass, especially around the Library and Men's gym, is ruined.

TALENT IS NEEDED FOR SUPPORTING REVELRIES ROLES

Talent is still needed for supporting roles in "How's It Goin'?" 1949 Revelries, according to Director Ray Bishop.

"We had a good turnout of school talent," Bishop said, "but we still have need for talent to play supporting roles. The parts are not small, and should be a lot of fun to work with. We would like to have all interested persons come to the Revelries office, room 8, and sign up for an audition time."

Revelries is scheduled for a four-night run, Feb. 23 to 26, winter quarter.

Ski Club To Show Yosemite Films; Party Will Follow

"Skiing" and "Ski Thrills" are two winter sports movies to be shown during the Ski club meeting tonight at 7:30 in room 112, Science building, according to John Daegling, Ski club publicity director.

The films were taken in Yosemite and Badger pass. One reel will be shown before the meeting and the second will be shown after.

Following the meeting, the club will have a get-together party in the Student Union. Refreshments will be served.

A report on the progress of the three proposed chartered bus trips to Yosemite will be given.

STUDENT DIRECTORY TO GO ON SALE BY END OF THIS WEEK

Student directories are now being printed, according to Carl Holmberg, directory committee chairman.

The directories, listing addresses and telephone numbers of students and faculty members, are expected to be on sale by the end of this week.

Blue Key members have gathered the material for the booklet and will sponsor the sale as they have in past years.

Thrust and Parry:

WEYBREW CRITICIZES MISUSE OF ASB CARDS

The decision rendered by the Student Council in passing the by-law giving the Student Court authority to punish those students found misusing their ASB cards was undoubtedly a necessity.

The money derived from the sale of these cards supports all college activities, including athletics. If an insufficient number were sold, the functions would be limited or the price of student body cards would have to be increased. When spectators are able to enter free on the unused card of an ASB member, the loss of revenue is serious enough to cripple our entire program.

The situation I was trying to correct when I appeared before the Student Council was the inability of many student body members to take their wives, family, and friends to student functions without facing a prohibitive expense. No responsible person would feel that an outsider should attend these functions without meeting part of the cost. However, to insure the support of those most interested in the school, an adjustment should be made. Under the present situation, students bringing friends must pay full admission price or else violate student body rules by gaining admittance to the function on a borrowed student body card. If some inducement, such as a

reasonable reduced rate were made available to the families and friends of student body members, the college would be likely to have an increased attendance at these activities with a corresponding increase in financial support.

Unless some provision is made, either the one I have suggested or one similar, and borrowing of student body cards will likely persist. Laws which prohibit do not remedy all situations.

As for the petition I circulated, having to do with the passage of the by-law, it was instrumental in drawing student attention to this problem and its need for a solution. I have withdrawn this petition in the hope that we will support the new by-law passed and put our efforts toward a constructive solution to the problem.

Noon Music Recital Presents Students In Varied Program

A second informal student music recital of the quarter will be held tomorrow from 12:30 to 1 p.m. in room M-108, according to Eric Peterson, faculty member in charge.

Mr. Peterson reports that last week's recital attracted a capacity audience. These presentations are open to all students, without charge.

Soloists last week were: Allen Gove, cello; Craig Johnson, violin; accompanied by Barbara Zinn; Mary Ellen Pea, flute; and David Wight, piano.

Directors Give Tea For O. T. Majors

All occupational therapy majors are invited to a tea Thursday from 3 to 4 p.m. in B-72, according to Miss Mary Booth, assistant professor of the O. T. department.

Clinical training directors will give the tea, and O. T. club members will act as hostesses, she said.

Twenty hospitals will be represented at the clinical director's meeting at 10 a.m. The directors are in charge of the departments in the hospitals in which O. T. students take training.

Miss Booth said there will be a discussion concerning the correlation of teaching in the school and hospital.

FROSH OFFICERS TO BE NOMINATED TODAY, 11:30-12:30

Nominations for four freshman class offices will be held today in the Morris Dailey auditorium, 11:30-12:30, according to Mr. Don Sevrems, freshman class adviser.

Sevrems said all nominations must come from the floor, and that nominees may give a one-minute acceptance speech. Prospective candidates do not have to be present, but Sevrems explained that their presence would be advisable.

In the event a nominee cannot make the meeting, Sevrems said that a qualification speech can be given for him by the person that nominates him.

To be eligible for nomination, Sevrems said that the nominee must be on clear standing and must have completed not more than 45 quarter units by the end of his freshman year.

Teaching Prospects To Be Interviewed In San Francisco

Interviews for candidates desiring elementary teaching positions will be held in San Francisco Dec. 7 through 10. Further information regarding degrees and credentials needed is available from Miss Doris Robinson in the Placement office.

The Placement office again reminds teaching candidates to get their placement pictures taken the same time as those for La Torre. The pictures must be taken in street dress.

On the request list in Miss Robinson's office is a list of all teaching candidates who plan to be off campus next quarter. They are asked to schedule their interviews.

Some men have two changes of clothing—with and without.

Soph Hop Will Turn Civic Auditorium Into Enchanting Isle

Plans are under way for the "Soph Hop" in the Civic auditorium Feb. 5, announced Bert Howard, "Soph Hop" committee chairman.

"The auditorium," said Howard, "will be transformed into an exotic isle where dusky maidens will entertain with their native dances."

Howard's committee is working on the dance with Marge Weaver of the Social Affairs committee, and Barbara Watts is in charge of publicity. Decoration Committee Chairman Peggy Etherton is planning special lighting effects. Bids arranged by Dosethea Jones

Card playing, like any game where you hold hands, can be expensive.

McCaslin Scores 25 For San Jose State; Crowe Also Stars

(Continued from page 1)

for the most part, well played. No one left the contest via the penalty route, with Smith and Bob Enzensperger, Spartan guard, committing three apiece to head the list.

The San Francisco squad seemed to be in better shape than the nine Spartans who played, and piled up numerous points in the last half by breaking away from San Jose defenders for layup shots.

Bob Crowe, 5'10" forward from Compton Junior college also playing under Spartan colors for the initial time, turned in a superlative floor game although he scored but seven points. His ball handling, rebounding, and dribbling were almost flawless for a first game with a new club, and he alone failed to tire as did his teammates.

The Spartans still show plenty of promise of living up to their high pre-season billing, and should improve greatly as they round into shape, and the new players, such as Crowe and McCaslin, work together with the veterans.

In a preliminary game, the Spartan frosh used more than 25 men to dump the Santa Cruz Sportsman's shop by a 55 to 35 score. The freshman were led by Center George Clark who dropped in nine points, and played a fine game off the backboards.

In addition to Clark, Coach Tom Cureton floored a starting lineup with Don Belmer and Keith Reid at forwards, and Mort Schorr and Orville Johnson at guards. Schorr racked eight markers and displayed a good drive in shot, while Reid, with seven points, got his share of rebounds and turned in a good all-around performance.

SJ Turns Down Sacto Bowl Engagement; No Dough, No Prestige

Glenn "Tiny" Hartranft, director of athletics, announced yesterday that the Golden Raiders have turned down an invitation to play in a bowl game at Sacramento Jan. 1.

The reasons for declining the bid were the same as for the refusal of the Raisin Bowl bid, namely, not enough financial recompense and no suitable "name" opponent.

Russ Reed Is Next Drum Major; Arnold, LaVonne, Maj'ettes

Russell Reed, junior music major from San Jose, was chosen yesterday to serve as drum major next year. Majorettes will be Dodie Arnold, junior art major from Paso Robles, and LaVonne Peter, sophomore art major from San Jose.

A vote of band members determined who would fill the positions, according to Band Director Forrest J. Baird. Tryouts were held yesterday afternoon on the San Carlos turf.

Also vying for the drum major job were Ross Bergantz, Fran Wildman and Stan Zirbel. Wildman held the position during the 1948 football season.

Gay McGowan and Norvella Pitney were the other majorette contestants.

Pauline Deardorff, unanimous majorette choice for the past three years, was not a contestant.

Sparta Host To Host Of Harriers Friday

Sparta will play host to harrier squads from the San Francisco Olympic club, Cal Poly, San Francisco State, Fresno State, and College of Pacific, Friday afternoon, Dec. 3.

This six-way meet will bring together three teams that the Spartans have defeated once this season: Olympic club, Cal Poly, and San Francisco State. Cal Poly and College of Pacific have scored wins over the locals, but the Spartans and the Fresno Bulldogs haven't clashed yet.

Bud Winter, track coach who is counting heavily on Dore Purdy to win top honors. Purdy missed the Turkey Trot because of an attack of flu, but should be in shape again soon, according to the coach. Merle Knox, winner of the annual run, is not eligible for intercollegiate competition. Other Spartan thin-clads Winter will be expecting to win points are Marion Day, Seward Chapman, Ben Slater, Elvin Riddle, Vernon Young, Ted Broden, Art Brickey, and Robert DeVenzio.

In their last competitive outing the local runners defeated the cream of the Olympic club. Purdy finished first, while Merle Knox ran but a few seconds behind to grab second honors. The best performance the clubbers had to offer was "Mushy" Girard's fourth behind Marion Day. Girard, the best distance man in Northern California last track season, according to Winter, was barely nosed out of third place by Day.

Teams Meet Third Time; Broncos Won 20-0 In '36, 25-2 In '37

(Continued from page 1)

which included Santa Clara, San Jose, USF, and St. Mary's.

Hartranft and Heenan said that basketball and baseball relations will be contingent on the success or failure of student conduct before and after next fall's game. If successfully continued the series could rival such traditional cross-town "civil wars" as the NYU-Fordham and UCLA-USC games.

The game will be the second of the season for Santa Clara and San Jose. The Broncos open against California and it's hoped by Washington Square officials that the Spartans will again square off against Stanford in the 1949 inaugural.

The presence of Stanford's Coach Marchmont Schwartz at last Friday's St. Mary's game is an indication that the Golden Raiders might land the Stanford plum again.

Schwartz wouldn't commit himself Friday night, but said that he would favor continuance of football relations.

Hartranft believes the future of the series lies in the hands of the students themselves. "Our student's pre-game conduct for the last two COP contests leads me to believe that students here are mature enough not to jeopardize relations with pre-game shennanigans," he added.

The visitors will have charge of the west side of the stadium and San Jose the east, according to Hartranft.

Tickets will be priced at \$3 (reserved seats), and \$1.80 (bleachers). Temporary seats will be erected if needed. Tickets for the game will not be sold as part of the season book, but season ticket holders will get first preference.

Students of the two colleges will be admitted on presentation of their student body cards and \$1. As school will not officially open until the following week, 1948 ASE cards will probably be accepted in the same fashion as this season's Nevada game.

San Jose State Gridders To Lose Eleven Seniors

Eleven Spartan football players made their final appearance before local fans against St. Mary's Friday night, while three of them ended their gridiron days under San Jose colors. Those seniors who still have the trip to Mexico City and the game with the University of Mexico Saturday, Dec. 4, to look forward to are, in the backfield:

Aqua Poloists Back With Two Conquests

The Spartan water polo team literally "hit the road" last week and came back with two more victories to add to their long list of vanquished foes.

The barnstorming sextet, coached by Charlie Walker, invaded the Southland and toppled Occidental college, 13-9, and the next afternoon moved to nearby California Institute of Technology and swept them under, 11-6.

Bob Keeler was top scorer in both tilts, scoring seven points in each game. This brings his seasons total to 63 points in 14 games. Gene Foley and Al Grass are next in line in scoring, with 15 and 12 points, respectively.

Next game for the varsity will be Friday afternoon at 4 o'clock, when they journey to Davis to engage the Cal Aggies. The frosh entertain the San Jose high school this Thursday afternoon at 3:45 in the Spartan pool.

Hein, Tourtillott Head WAA Sports Spread Scheduled For Dec. 9

Irma Tourtillott and Marilyn Hein were appointed co-chairmen for the quarterly Sports Spread of the Women's Athletic association at a recent meeting of the executive council.

All girls who have participated in WAA activities are invited to the event.

Pete Denevi, veteran full and quarterback (CCAA QB choice in 1946); Chuck Hughes, regular signal caller this year and an excellent ball handler and faker; Steve O'Meara, stocky speedster who has played in both the full and left halfback spots; and Bill Schemmel, spindly-legged, tricky left half, who came back after suffering a broken collarbone in 1947 to fill in admirably for injured Billy Parton.

In the line: Jack Lercari, rugged left guard of pre-war Spartan teams, whose battered nose has made him recognizable all season; Dean Sophia, first string right end for two years; Dick Voris, second string center whose excellent play was overshadowed by Bob Pifferini; and "Piff", Little All-Coast and CCAA choice last year, and probably the outstanding individual on the 1948 squad.

The three who will not make the trip to Mexico are: Ken Agee, steady left tackle; Fred "Bulldog" Lindsey, punter and place kicker of reknown and another of the pre-war San Jose players; and Vince Sempronio, flashy right half who has always provided plenty of laughs during practice sessions.
